FAQ's:

WHAT IS SPAGHETTI ICE CREAM?

Spaghetti Ice cream, is a derivation of a traditional dessert that is sold in many countries, but is especially popular in Europe. It is usually made with Gelato (a lower fat Italian style ice cream).

IS THERE SPAGHETTI ICE CREAM IN IT?

No, there really is no spaghetti in Spaghetti Ice Cream, just vanilla ice cream, frozen custard or gelato (the spaghetti), strawberries (the sauce), and grated white chocolate (the cheese).

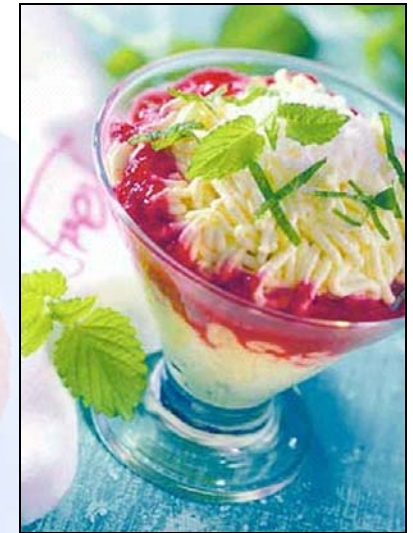

CAN I MAKE SPAGHETTI ICE CREAM USING ICE CREAM?

Yes, we offer Spaghetti Ice Cream Makers™ that can be used with Gelato, Frozen Custard, Ice Cream, or all of these.

DO YOU OFFER SUPPORT FOR YOUR EQUIPMENT?

Yes, we are extremely interested in making you successful. If you are successful, we will be successful.

“IF YOU ARE LOOKING FOR A WAY TO STAND OUT...”

We have a solution for you. We have a fun, established concept that is ripe for the picking. Take a look at some ice cream and gelato facts:

- *Gelato and ice cream are part of the \$21 billion dollar frozen dessert industry in the US. (\$11 billion in Canada).*
- *Sales of frozen desserts are growing at a 4 % growth rate.*
- *Vanilla is the best selling flavor of ice cream (and it is the flavor of choice for Spaghetti Ice Cream).*
- *This is an extremely well established and popular dessert in many parts of Europe. Americans that have traveled abroad will already be familiar with it. (In fact, people get cravings for it).*
- *Because Spaghetti Ice Cream must be made with ice cream or gelato with a fat content below 15%, it's healthier for the customer.*
