# 2006 Pricelist

Model: **102030**

Name: The Classic Spaghetti Ice Cream Maker

Retail price: \$22.95 +S/H

Description: Our world famous Spaghetti Ice Cream™ maker that comes with 3 stainless steel inserts to make: Spaghetti Ice Cream™, Lasagna Ice Cream™ and Asparagus Ice Cream™. Makes a great gift for families. A great icebreaker for church events, ice cream socials, birthday parties and other events. Comes packaged in an attractive retail gift box. Ships in about a week.

Model: **102032**

The Spaghetti Ice Cream Maker™ CV1

Retail price: \$64.95 + S/H

The robust, entry level commercial version of our world famous Spaghetti Ice Cream Maker™. Same great design as the classic Spaghetti Ice Cream maker, but this version makes Spaghetti Ice Cream. This unit was used to make spaghetti gelato when "Molto" Mario Batali visited Gelatiamo on the Food Network. Works with ice cream, gelato and most frozen custards. Ships in about a week. Also a great home machine. Cast Aluminum. Comes with free POS promotional material for commercial buyers.

Model: **102034**

The Spaghetti Ice Cream Maker™ CV2

Retail: \$269.00 + S/H

The more rugged, commercial version of our world famous Spaghetti Ice Cream Maker™. Great for Ice cream shops and large parties or catering events, fairs, weddings, chefs or restaurants, mall kiosks, or anywhere where high volume Spaghetti Ice Cream, Spaghetti Gelato or Spaghetti frozen Custard production is required. Comes with 1 Spaghetti Insert. Same great design as the classic Spaghetti Ice Cream Maker, also has interchangeable inserts that may be purchased separately below. All Stainless construction. This unit was recently seen on Food Networks' top 5 show. Ships in about a week. Comes with free POS promotional material for commercial buyers.

Model: **102036**

The Spaghetti Ice Cream Maker™ TT1

Retail: \$379.00 + S/H

Made of high quality, high strength, highly polished stainless steel. Comes with one Spaghetti Ice Cream insert. Has removable Teflon piston and removable drip tray for easy cleaning. Great for ice cream shops, large parties or catering events, fairs, mall kiosks, weddings, chefs or restaurants, where high volume production is required. Also makes a great romantic wedding idea. A great premium machine for home use!! Other inserts may be purchased separately below. Ships in about a week. **Works great with Ice Cream or Gelato! Comes with free POS promotional material for commercial buyers.**

Model: **102037**

The Spaghetti Ice Cream™ Starter Kit SK-1

Retail: \$479.00 + S/H

Comes with all three molds (1 Spaghetti, 1 Asparagus and 1 Fettuccini Ice Cream ). Can be used for either Spaghetti Ice Cream or Spaghetti Gelato production. Also works with Frozen Custard. Save \$\$ by buying the starter kit, over buying separately.

Model: **102038**

The Spaghetti Ice Cream™ Starter Kit SK-2

Retail: \$479.00 + S/H

Comes with choice of three molds (1 Spaghetti, 1 Lasagna, 1 Fettuccini). Can be used for either Spaghetti Ice Cream or Spaghetti Gelato production. Also works with Frozen Custard. Save \$\$ by buying the starter kit, over buying separately. Stainless steel with a sturdy granite base. Ships in about a week.

**Model: 102039A**

The Pneumatic Spaghetti Ice Cream Maker TT3

Retail: \$2199.00 + S/H

The biggest and the best Spaghetti Ice Cream or Spaghetti Gelato maker. For very high volume gelato or ice cream production: great for fairs, high volume restaurants, gelato shops, mall kiosks, or anywhere where very high, almost effortless Spaghetti Ice Cream or Spaghetti gelato production is required. Comes with Spaghetti insert or another insert of your choice. Other inserts may be purchased separately below. A great commercial machine. Stainless and granite construction. 110V. 60 Hz comes with air compressor (not shown). Ships in about a week. Works great with Ice Cream, Gelato or hard frozen custard! Extremely fun to watch in action: a great wow effect for your customers: a real attention grabber.

**Model: 102039B**

The Pneumatic Spaghetti Ice Cream Maker TT4
